

HEALTHY
FAMILIES

PROVIDE MORE FOR WHAT MATTERS MOST.

The California Earned Income Tax Credit (CalEITC) and the Young Child Tax Credit (YCTC) are state tax credits for working Californians. If you qualify, you can impact your family's health and success!

Research has found that when families get the EITC:

- Babies are healthier: newborns weigh more and infant mortality rates decrease.
- Kids stay in school longer and do better on tests.
- College is an option, with kids more likely to go to college and families able to help pay for it.
