Monthly payments for families with kids.

Raising kids can be expensive, and the Child Tax Credit is here to help. The full benefit of the Child Tax Credit is now \$300 per month per child under age 6 and \$250 for each child age 6 to 17.

▶ **Did you file taxes in the last 2 years? Then you don't have to do anything to get the money you're already owed!**

If you filed your 2020 taxes this year or filed your 2019 taxes last year, or used the IRS "Non-Filer Portal" to get a stimulus check last year, you don't need to do anything. The IRS will automatically send you a monthly payment by direct deposit or check starting on July 15, 2021.

Most families, even those with little to no income, can receive the full amount.
